July 2012

Volume 16, Issue 6

Next meeting - July 17, 7 pm *Pembroke Pines Police Department*

KAPOW is a national network of business-elementary school partnerships, which introduces young students to work-related concepts and experiences that can be continually reinforced throughout their formative years. The program was founded in 1991 by Grand Metropolitan Inc. and the National Child Labor Committee; a private non-profit organization dedicated to promoting the rights, awareness, dignity, well-being and education

of children and youth as they relate to work and working. From a start of 10 schools, today KAPOW is present nationally in over 30 communities, reaching more than 35,000 students. NCLC is certified by the National School-to-Work office as a “technical assistance provider organization.”

KAPOW’s system of affiliates brings trained volunteers from partner companies into elementary school classrooms. Through a professionally designed curriculum and a worksite visit, elementary school children learn and practice workplace skills and make strong connections between school and work. In the community, an organization (e.g. Chamber of Commerce, Private Industry Council, School-to-Career Office) serves as the affiliate, or the managing agent, for all of the local KAPOW partnerships.

Needs HELP!!!

We have been asked to assist the contacting the vulnerable population within the city of Pembroke Pines. Our goal is to make this list current in case of a storm or other disaster. There are currently 182 names registered with the county. This will take place July 23, 24, 25, & 26th. The hours would be from 9-4 each day. The tasks will include calling the individual listed and updating any information and for those who cannot be contacted, we would drive to the residence to check on their well being.

I am asking for volunteers to assist in this vital task. If anyone would be interested please let CAU know the times and days you are available.

Note:

Any COP / PES personnel that requires a sign-off please contact Max Buck, Stephen Card, Bob Wells, or Leo Holland for the check ride. PES signoffs require COP certification first!!
